Whole Leadership

18/07/2023 - Frank Murray

"Patrick rapidly integrated into his role within the programme team. He effectively manages his own time and has successfully delivered on all requests that have been made of him. He has shown strong maturity within his role."

Business Acumen

18/07/2023 - Frank Murray

"Patrick has shown a strong aptitude for the work that he has been assigned. He quickly came to understand his role within the programme and the benefit that this provides to the client. Following limited guidance, he was able to effectively respond to client asks that were made of him."

Technical and digital

18/07/2023 - Frank Murray

"Patrick has received extensive positive feedback from the client for his contributions to the programme. He has demonstrated a strong aptitude for the work that he has been assigned. His clarity of understanding processes has benefitted his work and has helped to improve the structure of the work undertaken."

Global and inclusive

18/07/2023 - Frank Murray

"Patrick is able to effectively build rapport within his programme team and with the client. He effectively works in a remote environment. He also proactively seeks to share learning or insights that he has obtained in relation to his work."

Relationships

18/07/2023 - Frank Murray

"Patrick is an effective communicator and is able to manage upwards when support is required. He has demonstrated strong judgment when faced with new or ambiguous situations and provides appropriate updates in relation to his work."
